Energy Balls

Ingredients:

- 7-8 dates
- 1/4 cup of roasted cashews
- 1/4 cup of almond
- 1/4 cup of shredded coconut
- 2 tablespoons of chia seeds
- 1/2 juice of orange and its zest

Instructions:

1. To a food processor, add in the dates, cashews, almonds, coconut, and chia seeds.
2. Next, add in the zest and juice of half an orange. Pulse again.
3. Grab a handful and give it a good squeeze. If it holds together, you are ready to roll them into balls. If it still crumbles add in a little more orange juice.
