Ingredients

2 medium sweet potato's
4 medium carrots
2-3 Tbsp Butter
2 cloves garlic minced
1/4 sp ground ginger
1/2 tsp ground turmeric
Sea Salt to taste

Instructions

1. Rinse peal and chop potato and carrot into large chunks
2. Add SP and C to dutch oven and add water 1 inch above
3. Bring water to a boil over high heat; once boiling reduce to medium-high and continue cooking for about 10-15 minutes or until the SP and C are tender.
4. Drain all and add back to the pot (or food processor or blender) and add the ginger, turmeric and sea salt at this point. I use an emerson blender or a ricer.
5. Add butter as needed to get a creamy texture.
6. Garnish with butter and parsley S&P
